PROSPECTUS

# CHANGING LIVES

At Kettlethorpe High School we want to be the very best in all we do and never take things for granted. Pupil success is always a cause for celebration. Partnership and collaboration between staff, pupils and families is vital to this success; we will do everything in our power to ensure each pupil achieves to the best of their ability.

It matters to us that every pupil feels safe and happy at school, and we work to provide an atmosphere that is safe, challenging and stimulating for our pupils. We consider ourselves a second home for pupils, and as part of this we encourage parents and carers to visit at any time.

Pupils at Kettlethorpe High School have a strong voice. The pupil body organises fundraising events across the school year, raising money for local, national and international charities. Pupil opinions are taken into account as we work together to continually improve Kettlethorpe High School in order to be the best.

“Hard work is rewarded and pupils are encouraged to 'have a go'”

School helps us by  
supporting our dreams  
for the future

PUPIL

We challenge our pupils to improve on all fronts, understanding that school provides more than just an academic education. We want pupils to have access to a wide range of activities outside of the classroom and to develop as individuals through wider life experiences.

Our extensive facilities give pupils the opportunity to sample a huge range of sports, within PE and in extra-curricular time. This is complemented by off-site facilities, such as Leeds climbing wall and Wakefield Hockey Club.

Performing Arts, Design Technology, as well as other practical subjects, encourage and support our pupils to express themselves. Other facilities, such as our allotment and recording studio help to develop creativity; something that is reflected in our afterschool clubs, such as the brass band, drama club and choir.

Pupils are highly respectful of each other, visitors and members of staff

# CHERISHING AMBITION

Pupils at Kettlethorpe High School are confident and engaged learners and our GCSE examination results are amongst the very best nationally. In every subject, teachers challenge their pupils to ensure they realise their full potential. High ambition is a priority.

We understand that a strong foundation in English and Maths is vital for all our pupils. We instil in them the ability to think and reason mathematically, as well as ensuring each pupil can read, write and express themselves with confidence. Our Humanities subjects and Modern Foreign Languages teach our pupils respect for different cultures and societies whilst the practical Science provision inspires and feeds their curiosity.

Careers advice and guidance is available to all; we want to make sure our pupils carry on achieving when they leave us.

“Our children are known as individuals; staff are caring, encouraging, and sensitive to their needs”
