Dear Pupil, Parents/Carer

We are very much looking forward to meeting year 10 pupils again from Monday June 22<sup>nd</sup> to receive small group tutorials.

Mr Griffiths' newsletter has given more information about the overall plans for year 10 returning and how we are managing risks, including maintaining fixed small groups of pupils and having regular and thorough cleaning routines.

There are also details of the days pupils are coming into school, the timetable and pupil groups on the school's VLE, under Year 10 Return Arrangements within Courses.

In summary:

Tutor groups K1, K2 and K3 will attend school on Monday, arriving 8:00 – 8:30 and leaving at noon.

K4, K5 and K6 will attend school on Tuesday

S1, S2 and S3 will attend school on Thursday

S4, S5 and S6 will attend school on Friday.

As this is the first step to things going back to normal, things are still very different and the documents below give you an outline of what you should expect from the 22<sup>nd</sup>.

We expect the usual high standards of behaviour, and that pupils will respect the social distancing requirements. Keeping a 2-metre distance from other pupils is important, and cones and other markers are positioned to assist with this. The 2-metre distance must also be maintained during travel to school and after departure. We appreciate your support in re-enforcing this with your child.

Attached are two documents that give a quick summary of what to plan for and expect on your child's return to school.

Yours sincerely

M Hunter
