Dear Parent/Carers

‘Food glorious food!’

In the spirit of Charles Dickens, who wrote *Oliver Twist* in 1838, I feel a bit like Mr Bumble in providing a positive update on the lunchtime arrangements in school.

I am pleased to report that from tomorrow, Thursday 15 October, pupils will be able to have hot and cold meal options. Whilst the menu choice will be reduced, food will be made available for the normal number of meals served. There will be both a break and lunchtime service.

For the remainder of the week, meals will be served by teachers in the school and all pupils will be required to do is tell the teacher what they have chosen to eat, to allow the correct amount to be accounted for. Pupils will still be served in their dedicated bubble area.

We are in discussions regarding a return to a full and normal service next week.

I would also like to recognise and thank the staff in school who have supported the food service as well as all our pupils who coped with the difficulties in a relaxed and helpful manner. Thank you.

With this newsletter there is an outline of the menu service up until the half-term break.

It has been an interesting week and one where we have all had to think quick and focus on solutions.

Thank you for your continued support and patience at home.

Very best wishes

T Griffiths
Headteacher
