The Senior Leader responsible for managing the provision for children and young people with disabilities:  
Mel Mumby | 01924 251 605 | [mmumby@kettlethorpe.wakefield.sch.uk](mailto:mmumby@kettlethorpe.wakefield.sch.uk)

The governor with responsibility for children and young people with disabilities is Andrea McGlashan

Kettlethorpe High School understands that some children require a little more support so that they can exist as confident individuals and, successfully contribute to society. We are committed to providing an environment that enables full curriculum access that includes all pupils, staff, parents and school visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are dedicated to developing a culture of inclusion, support and awareness.

Under the Equality Act 2010 schools should have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that “schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation”. According to the Equality Act 2010 a person has a disability if:

- (a) He or she has a physical or mental impairment, and
- (b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

This accessibility plan is a statutory document and must be reviewed every three years and approved by the governing body of Kettlethorpe High School. This plan for physical accessibility relates to the access audit of the school, which remains the responsibility of the governing body. It may not be feasible to undertake all of the works during the life of this accessibility plan and therefore some items will roll forward into subsequent plans. An accessibility audit will be completed by the school prior to the end of each period covering this plan in order to inform the development of a new accessibility plan for the ongoing period. The school will work in partnership with the local authority in developing and implementing this accessibility plan.

This accessibility plan should be read in conjunction with the following school policies, strategies and documents:

- Behaviour Management Policy
- Curriculum Overview
- Health & Safety Policy
- School Prospectus
- School Improvement Plan

- Special Educational Needs Policy

## Access audit

Kettlethorpe High School is a two storey building and has considerable access at various points around the construction. The hall is on the ground floor and is accessible to all. There is a lift which can accommodate a large wheelchair and is periodically maintained. On-site car parking for staff and visitors includes dedicated disabled and visitor parking bays. All entrances to the school are either flat or ramped and all have wide doors fitted. The main entrance features a distinct access point for wheelchair users and those with a disability. The school has internal emergency signage and escape routes are clearly marked.

## Action Plan

The priorities for the accessibility plan for our school were identified by an action group consisting of:

- SEND Governor
- Headteacher
- Senior Leader with responsibility for children and young people with disabilities
- Special Educational Needs Coordinator
- Facilities Manager.

## Aims

- To increase the extent to which disabled pupils can participate in the school curriculum.
- To improve the physical environment of the school so that all pupils, regardless of sex, race, disability, religion or belief and sexual orientation are fully able to take advantage of education and the associated services provided by Kettlethorpe High School.
- To provide accessibility for pupils, staff and visitors so that our school is a fully inclusive establishment

## Accessibility Action Plan

Objective	Method	Timescale	Responsibility	Success Criteria
<p><b>Ensure full access to the curriculum for all pupils</b></p>	<ul style="list-style-type: none"> <li>▪ 3 year KS4 resources so that the “lost years” at KS3 are limited.</li> <li>▪ Alternative curriculum in place</li> <li>▪ Applicable training for all staff</li> <li>▪ Use of strategy sheets</li> <li>▪ Specific equipment for particular pupils so the curriculum is fully inclusive</li> </ul>	<p>Ongoing</p>	<p>SLT Team Leaders SENCo</p> <p>Team Leaders SENCo</p> <p>SLT SENCo</p> <p>SENCo LSAs in liaison with applicable agencies</p> <p>SENCo Designated First Aider in liaison with applicable outside agencies</p>	<p>School documentation outlining a differentiated curriculum offer</p> <p>Bank of fully differentiated subject curriculum</p> <p>Audit of performance management and CPD shows a variety of training specifically relative to SEND and disability</p> <p>Fewer incidents across school for ASD and ADHD pupils</p> <p>A range of bespoke tools in operation to support pupils across the curriculum</p>
