

Application Form Guidance Notes

You are advised to read the following notes carefully as, unless other selection techniques are used, the decision to shortlist you for interview will be based solely on the information you provide in the Application Form. This advice is designed to help you complete the Application Form as thoroughly as possible. When completed, read through your Application Form, checking for errors or gaps. Check the closing date and make sure your application is submitted in plenty of time because late applications will only be considered in exceptional circumstances.

Do you have what we are looking for?

From the information in the advertisement, job description and person specification work out if you have the skills, knowledge and experience we are seeking. If not, show how you have used them in the past. Do not forget that skills can be transferable. The tasks you perform may not be the same as those in the job you are applying for, but the skills you use to carry out those tasks may be the same. Remember that the skills and experiences you have gained outside paid work, for example, from domestic responsibilities, unpaid or voluntary work or organising social or community activities can demonstrate skills you have taken for granted which could be a clear sign of your ability to do a job.

Asylum and Immigration Act 1996

The successful applicant will be required to provide original documents which prove their entitlement to work in the UK. For example, Passport, Birth Certificate or P60 before an offer of appointment is made. A full list of suitable documents for this purpose will be issued to every successful applicant.

2. How we use your data:

The Council needs to collect the following information about you:

- your name, address and contact details, including email address and telephone number;
- your qualifications, skills, experience and employment history;
- information about your current level of pay, including benefit entitlements;
- whether or not you have a disability for which the Council needs to make reasonable adjustments during the recruitment process;
- information about your right to work in the UK; and
- equal opportunities monitoring information, including information about your ethnic origin, sexual orientation, health, and religion or belief.

The Council collects this information about you in a number of ways. For example, data might be contained in application forms, obtained from your passport or other identity documents, or collected through interviews or other forms of assessment.

The Council will also collect personal data about you from third parties, such as references supplied by former employers, and information from criminal records checks. The Council will seek information from third parties only once a job offer to you has been made.

We use this information to take steps at your request prior to entering into a contract with you. We also need to process your data to enter into a contract with you.

To enable us to provide our service to you we will share your information internally with teams that have a legitimate business need to access your data. These include HR, Business and Transactions, Customer Services, interviewers involved in the recruitment process, managers in the business area with a vacancy and IT staff if access to the data is necessary for the performance of their roles.

The Council will not share your data with third parties, unless your application for employment is successful and we make you an offer of employment. The Council will then share your data with former employers to obtain references for you, the Disclosure and Barring Service to obtain necessary criminal records checks, and any regulatory/professional bodies relevant to the role. The Council also needs to protect the public funds we handle so if you are successful with your application we may use the information you provide on your Application Form to prevent and detect fraud. We may also share this information, for the same purpose, with other organisations that handle public funds.

The Council will not use your data for any purpose other than the recruitment exercise for which you have applied

Should you decide not to provide any of the information we request from you the Council may not be able to process your application properly or at all.

You are under no obligation to provide information for equal opportunities monitoring purposes and there are no consequences for your application if you choose not to provide such information.

3. What authority does the Council have to collect and use this information?

The Council needs to process data to ensure that we are complying with our legal obligations. For example, we are required to check a successful applicant's eligibility to work in the UK before employment starts.

The Council has a legitimate interest in processing personal data during the recruitment process and for keeping records of the process. Processing data from job applicants allows the Council to manage the recruitment process, assess and confirm a candidate's suitability for employment and decide to whom to offer a job. The Council may also need to process data from job applicants to respond to and defend against legal claims.

Where the Council relies on legitimate interests as a reason for processing data, we have considered whether or not those interests are overridden by the rights and freedoms of employees or workers and has concluded that they are not.

The Council processes health information if we need to make reasonable adjustments to the recruitment process for candidates who have a disability. This is to carry out our obligations and exercise specific rights in relation to employment.

Where the Council processes other special categories of data, such as information about ethnic origin, sexual orientation, health, religion or belief, age, gender or marital status, this is done for the purposes of equal opportunities monitoring with the explicit consent of job applicants, which can be withdrawn at any time.

For some roles, the Council is obliged to seek information about criminal convictions and offences. Where the Council seeks this information, we do so because it is necessary for us to carry out our obligations and exercise specific rights in relation to employment.

4. How long will we keep your data?

If your application for employment is unsuccessful, the Council will hold your data on file for six months (twelve months for headteacher recruitment) after the end of the relevant recruitment process. At the end of that period, your data is deleted or destroyed.

If your application for employment is successful, personal data gathered during the recruitment process will be transferred to your personnel file and retained during your employment. The periods for which your data will be held will be provided to you in a new transparency notice.

THE APPLICATION FORM

1. Information

Information you provide in the Application Form will be treated as confidential. In an attempt to ensure greater objectivity in the selection process, it is divided into two parts, (A and B) with only Part B being used to shortlist candidates for interview. Therefore, please do not enter your name on Part B of the Application Form, or on any additional information submitted in support of your application.

2. Completion of the Form

The form should be filled in as completely and clearly as possible, in black ink or typed (where applicable). If you have a disability that prevents you from completing the Application Form, you may have someone complete it on your behalf. Braille or taped applications are welcome and the Application Form is also available on the internet. If you need to attach additional sheets to support your application or to provide additional information, please quote the serial number shown at the top right hand corner of the Application Form. Read each section of the Application Form carefully

Please note there is no serial number on the Application Form available on the Council's intranet/internet

3. Canvassing

Direct or indirect canvassing of Councillors or senior employees of the Council by, or on behalf of yourself, is strictly forbidden and will invalidate your application

4. Medical History

All appointments are subject to the successful completion of a medical screening process. A health problem does not preclude a person from full consideration for the job. Information relating to the health of an individual is classed as special category data and is subject to strict controls under the Data Protection Act.

5. References

We need a reference from your present or most recent employer. If you have never been employed or have been out of paid work for a long time, you should give the name of a responsible person who knows you well but is not a relative. Referees will be sent a copy of the job description and person specification.

6. Education and Training

The 'Qualifications' section gives you an opportunity to list any examinations or certificates you have gained or are currently taking. For some jobs, qualifications are essential, but not all jobs require formal qualifications – the advertisement, job description and person specification should tell you whether qualifications are required. Original certificates will be checked upon appointment.

7. Employment History

Please provide full details of your current (or last) employment and highlight any achievements in this post. Where the information relates to your previous employment, please provide your reasons for leaving. Please provide a continuous record of all experience, paid, or unpaid, including, for example, voluntary work, positions of responsibility or any other experience you consider relevant. If not full-time indicate the hours worked per week.

Please explain any break in your work experience.

8. Information to Support your Application

This section is probably the most difficult part of the Application Form to complete, however, it is very important. This is where you match your skills, knowledge, experience and personal qualities to the job description, person specification and advert.

Ask yourself why you are interested in the position, for example would it be promotion or alternatively a good career move sideways to broaden your experience? Do not simply repeat your career history. Pick out skills, knowledge and experience required by the job description and person specification and provide evidence that you possess them.

Any supporting information (i.e. additional sheets) should not contain your name or other personal information and should quote the Serial Number shown in the top right hand corner of the Application Form on ALL additional sheets.

9. Job Sharing

The Council supports job sharing as a means of creating job opportunities, offering more flexible working arrangements and as a means of retaining experienced and trained staff. Most jobs within the Council are available for job sharing and you can request a copy of the Job Sharing Scheme from Human Resources.

Applications from single job share applicants will be accepted and treated in the same way as full-time applicants. Where a single job share applicant is regarded as being the most suitable applicant for a job, they will be offered the position.

Self-Disclosure Form - Posts exempt from the rehabilitation of offenders act

Wakefield Council takes its duty of care to the people who receive services from us very seriously.

As the post for which you are applying for is exempt from the provisions of Section 4(2) of the Rehabilitation of Offenders Act 1974, by virtue of the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (as amended in 2013 and 2020), you are not entitled to withhold information about convictions, cautions, reprimands or final warnings that are not 'protected', i.e. those which are for other purposes 'spent' under the provisions of the Act, but for this purpose would not be filtered in line with current guidance. The amendments to the Exceptions Orders provide that when applying for certain jobs and activities, certain 'spent' convictions and cautions are 'protected' and are not subject to disclosure to employers, and cannot be taken into account even if they are disclosed.

Guidance and criteria on filtering can be found on the Disclosure and Barring Service website.

<https://www.gov.uk/government/publications/dbs-filtering-guidance>

It is your responsibility to read this information in full and complete the application form accurately.

If you fail to disclose that you have been convicted of a criminal offence or received a caution, reprimand or warning this may lead to dismissal or disciplinary action by the authority. Any information given will be treated in the strictest confidence and will be considered only in relation to an application for which the order applies. For jobs that are subject to a disclosure, please note that a criminal record will not necessarily bar you from employment. This will depend on the nature of the position you are applying for and the circumstances and background of the offence.

You may be offered the job subject to satisfactory pre-employment checks which can include obtaining an Enhanced DBS disclosure certificate. Some Schools or Services that work with Children and / or vulnerable adults will not allow newly appointed candidates to commence employment until an individual is in receipt of a cleared and valid DBS disclosure certificate. This intensive procedure can take some time; however, we ask that you appreciate the reasons why such stringent checks are made, and bear with us whilst they are completed.

Do you have any unspent conditional cautions or convictions? **Please ✓** Yes No

If Yes, please provide details:

Do you have any adult cautions (simple or conditional) or spent convictions that are not 'protected' as defined by the Exceptions Orders? (You do not need to disclose reprimands, final warnings or youth cautions, or anything that would be filtered by the DBS) **Please ✓** Yes No

If Yes, please give details:

Are there any other relevant matters pending? **Please ✓** Yes No

Declaration

By ticking the check box below I declare that the information I have given on this form is complete and accurate and that I am not barred or disqualified from working with children and / or vulnerable adults nor subject to any sanctions or conditions on my employment imposed by a regulatory body or the Disclosure and Barring Service. I understand that to knowingly give false information, or to omit information, could result in the withdrawal of any offer of appointment, or my dismissal at any time in the future. I provide consent for the DBS Team to undertake an external validation check, if identification has been provided via Route Two of the DBS process.
