Delayed start to school, Monday 6th January 2025

Dear Parents/Carers

Due to adverse weather conditions, we are planning to delay the opening of school tomorrow morning until 10.30am to allow safe travel time for staff and students and for site clearance.

All students will be expected to be in school **no later than 10.30am** and will go straight to their p2 lesson. Please note, that due to the later start there will be no morning break, instead students will be taught p2 and p3 consecutively and have their lunch at 12.40am followed by a normal afternoon session. Therefore, we would be grateful if you could please ensure that your children have had a good breakfast and have some snacks with them before coming to school.

Please check the school website early tomorrow morning for any further updates.

Thank you for your understanding and support.

Kind Regards
Roisin Paul
