Dear Parents and Carers,

Please find below an important update regarding the on-site uniform shop at Kettlethorpe High School.

Following careful consideration, the decision has been made to close the school's uniform shop with effect from June 2026. This decision has not been taken lightly; however, the school now requires this space to support further development of the site and to ensure it continues to meet the needs of our pupils, both now and in the future.

To ensure that parents and carers can continue to access school uniform that fully complies with the school's uniform policy, we will be transitioning to an online uniform purchasing service. We believe this approach will offer increased convenience and flexibility, allowing orders to be placed at a time that suits you, with delivery direct to your home. Please be assured that financial support for families in receipt of Pupil Premium will continue.

Kettlethorpe High School has appointed **MySchool.Shop** as its new uniform provider. All compulsory uniform and sportswear items will be available to purchase via their website: www.myschool.shop.

This new service offers a number of benefits, including:

- Convenient online ordering, available at any time and from any location
- A dedicated, school-specific website to ensure the correct items are easy to find.
- Fast delivery, typically within 1–3 days, including during the busy summer period, via DPD or Royal Mail
- Optional FastTrack despatch within 24 hours where required.
- Free delivery on orders over £50
- An intelligent sizing tool to help ensure the correct fit.
- Free 30-day returns for added reassurance.

In preparation for its closure, the on-site uniform shop is now operating with reduced stock levels. However, there will be sufficient time for parents and carers to transition to purchasing uniform through our new provider.

Further information about the online service and the school's uniform policy will be shared with parents and carers in the coming weeks. A leaflet provided by **MySchool.Shop**, containing additional details, [is available here](#).

Thank you for your continued support and understanding.

Kind regards,

Roisin Paul
